

CONGRATULATIONS to our 2017-2018 teams!

We cannot wait to get started with Season 14 at Cheer Xpress! Below you will find your teams and summer/school year practices! If your name was accidentally left off a list please email info@cheerxpress.com right away!

*Denotes an athlete has not participated in the tryout process due to an injury or an athlete is still working on mastering the required skills for the team

If you were interested in being a crossover athlete and are only on one team, we still might have room for you on a second team and are still evaluating the need for more team members.
